CAREER OBJECTIVE

Aspiring AI/ML engineer with a strong foundation in computer science, passionate about building innovative solutions to real-world problems. Eager to contribute to dynamic tech teams while continuously learning and applying advanced machine learning

WORK EXPERIENCE

AI Agent Development Internship • Internship

GeeksforGeeks X Salesforce, Virtual

Jun 2025 - Jul 2025

Built an AI agent using Salesforce Agentforce platform. Learnt fundamentals of conversational AI and integrated logic-based decision flows. • Gained hands-on experience in designing low-code AI workflows and real-time interaction systems. Participated in a national-level workshop conducted by GeeksforGeeks and Salesforce

NSS Member • Internship

NSS Intern, Faridabad

Jun 2025 - Present

Worked on community outreach, public health awareness, and civic engagement projects under the National Service Scheme (NSS). Developed leadership, teamwork, and social responsibility skills.

EDUCATION

B.Tech, Computer Science & Engineering

Manav Rachna College of Engineering

2024 - 2028

TRAININGS / CERTIFICATIONS

Data Analytics

Jun 2025 - Present

Ducat, Faridabad

Undergoing practical training in Python for Data Analysis, Excel, Power BI, and statistics. Learning how to apply data-driven insights to business problems through projects and exercises.

SKILLS

- Python
- Data Visualization
- Teamwork
- HTML
- Machine Learning
- Community Management
- Data Analytics
- GitHub

EXTRA CURRICULAR ACTIVITIES

- 4. AI & Coding Communities Member Active on platforms like GeeksforGeeks, GitHub, and Stack Overflow. Participated in coding contests and discussion forums related to Python, DSA, and ML.
- 3. Hackathon Participant – College-Level / Online Hackathons Worked on AI-based projects like speech-to-text or Chrome extension UI with AI customization. Collaborated in teams under time pressure to deliver innovative solutions.
- 2. Member – AIML Club, MRIIRS Actively participated in technical discussions and group projects. Contributed ideas for the AIML Club website revamp using Figma and custom UI. Attended weekly sessions on AI trends, coding challenges, and speaker talks
- 1. Participant – GeeksforGeeks x Salesforce AI Workshop Successfully created an AI agent using Agentforce. Gained insights into conversational AI design and deployment. Collaborated with industry professionals and peers in a live coding environment.

ADDITIONAL DETAILS

- 1. AI Agent Development Certificate From: GeeksforGeeks x Salesforce Achievement: Built an AI agent using Agentforce in a workshop.
- 2. Capstone Project Completion From: Summer Analytics 2025, IIT Guwahati Focus: Core ML, real-time data streaming, and mathematical modeling.
- 3. Certificate of Excellence – Summer Analytics 2025 From: IIT Guwahati – C&A Club Recognition: Top 10 percentile in Data Science & ML coursework.

- 4. NSS Internship Certificate From: Manav Rachna International Institute of Research and Studies Work: Social awareness drives, community service, collaboration with NGOs.
- 6. NSS Awareness Drive Participation For: Participating in digital and physical awareness campaigns Mentioned in your NSS future scope section.
- 5. Kaggle Competition – 2nd Place Secured 2nd position in a competitive Kaggle challenge. Demonstrated skills in data preprocessing, model development, and evaluation using real-world datasets. Showcased strong analytical and problem-solving.
